Completely immersed in greenery this beautiful country home is located in the heart of the Florentine Chianti region half way between Siena and Florence. Covering an area of more than 1,000 square meters the property comprises of 3 buildings with 6 residential units five of them used as tourist accommodation and one as the owner's home for a total of 13 bedrooms and 9 bathrooms. The property has been fully renovated in 2008 in traditional Tuscan style recovering all the building materials and recreating the original atmosphere of the ancient times adding a more modern and comfortable concept. Unicity of this jewel is the medieval watchtower which is now part of a dwelling and from which an enchanting landscape can be admired. The land of 20 hectares that is included in the sale is ideally developed all around creating good privacy, there are several recreation areas for amusement and relaxation, patios, pergolas, terraces, bowling field, soccer field, gardens and barbecue areas. The 6x12 swimming pool enjoys terraces with sunbeds and umbrellas. The agricultural land comprises an organic olive orchard and many fruit trees, the remaining is forest.
